Career Objective

Experienced leader with a track record of motivating and empowering teams to exceed expectations on diverse projects. Seeking a challenging construction management role where I can apply my strong communication, planning, and problem-solving skills to achieve exceptional results.

Experience

Gables and Grove Inc, Miami FL — *Project Manager*

April 2022 - PRESENT

- Increased revenue by \$400K through effective networking and upselling.
- Managed multiple project timelines and resources, ensuring on-time delivery.
- Developed and implemented standardized procedures for improved efficiency and compliance.
- Resolved complex client-company issues, ensuring project satisfaction.
- Led subcontractor teams to meet deadlines under tight constraints.
- Strong negotiation skills for securing materials on time and within budget.
- Excellent communication and collaboration with team, managers, and clients.

Stony Creek Colors, Miami FL — *Operations Manager*

May 2021 - April 2022

- Single point of contact for the Homestead, FL facility for vendors, customers, contractors, and suppliers.
- Improving operational management systems, processes, and practices.
- Coordinating Preventative and Reactive Maintenance events for the Homestead, FL facility.
- Hiring all budgeted personnel for the facility.

King Industries, Stamford CT — *Lead Chemical Operator*

November 2016 - May 2021

- Oversee operators, and operator helpers in the production of chemical procedures.
- In charge of familiarizing, training, and certifying incoming employees.
- Part of the HAZMAT, and Process Hazard Analysis team.
- Participated in safety committee developments, and maintained OSHA standards.
